

Road Safety

Most road accidents happen when people are crossing the **1) city/street** and are due to **2) street crime/bad driving**. We should always use a **3) zebra crossing/tunnel** or cross at the **4) road signs/traffic lights** for safety. Don't step off the **5) pavement/road** unless you are sure it is safe. If you are riding your bicycle, stay in the **6) bus/cycle** lane and take extra care.
