C O P Y R I G H T

First of all What is copyright protection

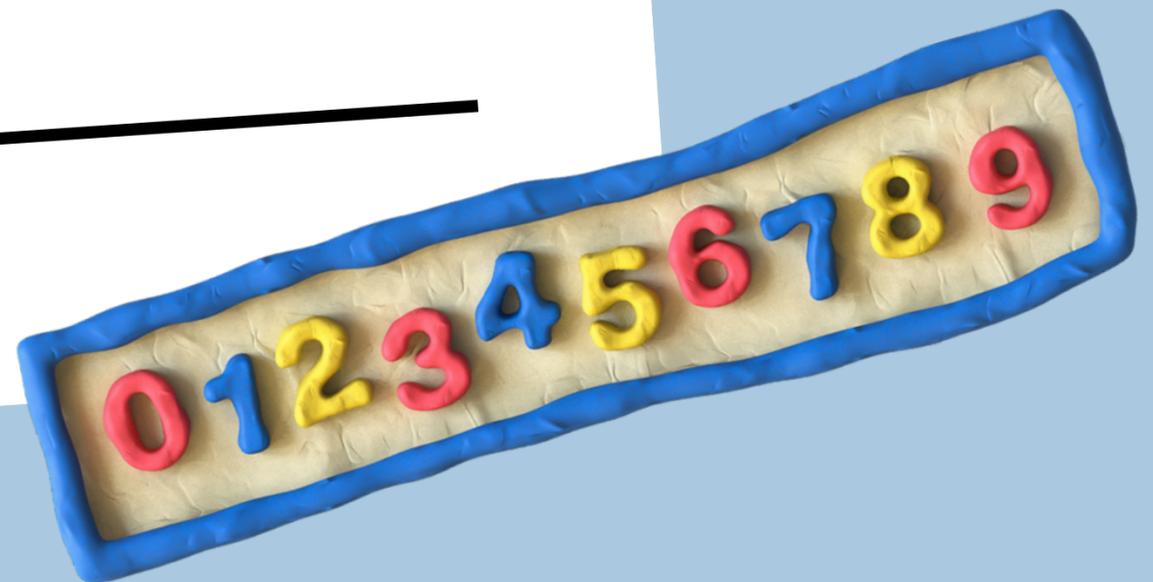

It is a tool which protect the
human rights of authors &
publishers

HOW IS COPYRIGHT RELATED WITH HUMAN RIGHTS

- 1 Copyright is linked to personal creativity
- 2 Copyriht has an econlmic aspect.
- 3 Copyright is a form of intelectual property and enjoys protection as a part of human right to property
- 4 Copyright is a children right too

That's right we
have
copyright laws

WICH ENSURE
